RESIDENTIAL AGED CARE FACILITY

It's been a busy month, as usual, for our residents. The ladies from the Cabaret Bells have entertained the residents with their fun and lively Cabaret Show, always enjoyed with lots of laughter. Our fellas have been fishing down at Back Creek SWR and had a fabulous time. Anzac was celebrated quietly and respectfully and as per usual, footy tipping and bingo remain popular and competitive!

Our incredible team members, Ang and Katie, recently accompanied Aunty Linda on a deeply meaningful visit back to Redfern—a place woven into her story. At the Redfern Community Centre, Aunty Linda was reunited with her Mob, reconnecting with familiar faces, including members of the police she had worked alongside for many years. Over a beautiful morning tea, stories flowed and memories were gently dusted off and shared—moments that spoke of dedication, community, and legacy. Aunty Linda's contribution to Redfern runs deep; not only did she work closely with local police, but she was also one of the three respected Aunties who helped establish the Community Centre itself—the very heart of Redfern.

Our roof repairs are nearly done as part of our major infrastructure works, and refurbishments continue to bathrooms and rooms within the nursing home. Beauty therapy is about to commence, which the residents are really excited for!

Our Star Rating has gone up to 4 Star!! We're really proud of this achievement; our residents are happy, and our care is excellent. I'm so incredibly proud of all of our staff here at Booroongen; the care, love, companionship and respect they demonstrate every day for our residents is extraordinary.

COLLEGE

The College would like to welcome Jarrod Wicks into the BDL Ctg Lead with RTO oversight position.

Jarrold and his family have relocated to Dunghutti from Sydney to take up this position.

Jarrold has skills grounded in hands on experience with cultural safety and community led Aboriginal Health work.

Jarrold brings experience in cultural competency, health education, community engagement, mentoring and evaluating health outcomes for Aboriginal Torres Strait Islander people.

Jarrold has extensive knowledge in Aboriginal Torres Strait Islander Health needs, developing and implementing program, and holds a Graduate Diploma in Indigenous Health Promotions at the University of Sydney and a Bachelor in Training and Assessment.
